

GUNNING

Hurstville

An extraordinary new precinct in Hurstville where sculpted towers rise around a central plaza, and elegant one, two and three bedroom apartments sit above vibrant retail and dining.

Beautiful living and urban convenience come together in one amazing place, where landscaped laneways and gardens connect residents to a vibrant retail plaza and Kempt Field.

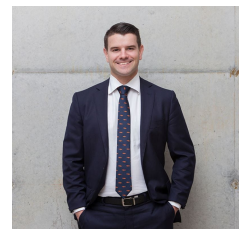

A VIBRANT PLACE TO BE - Hurstville is the integral heart of a diverse community. A celebration of different cultures and flavours.

DIVERSE FLAVOUR - A wealth of dining and shopping is waiting to be discovered, a melting pot of Asian and international cuisine.
